

Calling all Sports Fans – Brighton Needs You!

What is a Sport Maker?

A Sport Maker is someone that makes sport happen. We need you to join 40,000 other Sport Makers across the UK to assist us in creating an Olympic and Paralympic sports legacy for Brighton.

How can I make a difference?

Become a Sport Maker and you'll gain the skills you need to help make sport happen in your city. Whether it's planning the route, finding the pitch or encouraging people to take part – sport doesn't just happen, it needs people like you to make it happen. Sport Makers will give you the skills, knowledge and opportunities you need to get more people active in Brighton.

What do I get?

Once you've registered you'll be invited to attend a free training workshop where you might even meet an Olympian or Paralympian! After the workshop you'll be given the chance to get involved with some of Brighton's most exciting events including Paddle Round the Pier, the TAKEPART Festival of Sport and activities celebrating the arrival of the Olympic Torch Relay. As an extra incentive everyone that signs up will receive FREE Adidas kit, as well as the chance to WIN TICKETS to top sporting events! By giving just a few hours of your time you'll be making a real difference.

Active Sussex is hosting two Sport Makers workshops this spring and anyone who loves playing or watching sport – or has caught Olympic fever – is encouraged to sign up while spaces are still available!

Workshop dates:

25 May, 10:00am-1:00pm at the Jubilee Library
27 May 10:00am-1:00pm at the Brighton Centre.
